

ALUMNI SCHOOLS GOLF CHALLENGE

Privacy Policy

In terms of the Protection of Personal Information Act 4 of 2013 (POPIA)

Responsible Party:

Legacy Events Ventures (Pty) Ltd

Cape Town, Western Cape, Republic of South Africa

admin@alumnigolf.net

Last updated: March 2026

1. Introduction

Legacy Events Ventures (Pty) Ltd ("we", "us", "our") is the operator of the Alumni Schools Golf Challenge tournament and its associated digital platforms, including the Alumni Schools Golf Challenge mobile application and the web-based administration portal (alumnigolf-admin.vercel.app).

We are committed to protecting the personal information of all individuals who interact with our platforms. This Privacy Policy explains how we collect, use, store, share, and protect your personal information in accordance with the Protection of Personal Information Act 4 of 2013 ("POPIA") and its associated Regulations.

This policy applies to:

- Players who register on the Alumni Schools Golf Challenge mobile application.
- Supporters and followers who access the app in a non-playing capacity.
- Visitors to the web administration portal.
- Any other person whose personal information we process in connection with the tournament.

By registering on our platforms or providing us with your personal information, you acknowledge that you have read and understood this Privacy Policy and consent to the processing of your personal information as described herein.

2. Who We Are (Responsible Party)

Under POPIA, the entity that determines the purpose and means of processing personal information is referred to as the Responsible Party. The Responsible Party for all personal information processed through the Alumni Schools Golf Challenge platforms is:

Legacy Events Ventures (Pty) Ltd

Cape Town, Western Cape, Republic of South Africa

Information Officer email: admin@alumnigolf.net

Our designated Information Officer is responsible for ensuring compliance with POPIA and can be contacted at the email address above for any privacy-related queries, requests, or complaints.

3. What Personal Information We Collect

3.1 Information You Provide Directly

When you register or interact with our platforms, we collect the following categories of personal information:

Player Registration:

- Full name
- Email address
- South African mobile number
- South African ID number
- School name and year of matriculation
- HNA (Handicap Network Africa) handicap registration number
- Confirmation of registered golf handicap
- City / town of residence and postal code (used for geo-plotting and division assignment)
- Partner name and partner mobile number (where applicable)
- Payment information (payment method, payment reference, payment status)

Supporter / Follower Registration:

- Full name
- Email address
- Mobile number
- Schools followed within the app

3.2 Information Generated Through Use of the Platform

In addition to information you provide directly, we automatically collect or generate the following information through your use of our platforms:

- Match scores and results submitted through the app.
- Team assignment and division placement.
- Community posts and reactions submitted on the platform.
- Device push notification tokens (for in-app notifications).
- Login session data and authentication tokens.
- Timestamps of account activity, score submissions, and payment events.

3.3 Special / Sensitive Information

We collect South African ID numbers for the sole purpose of verifying player eligibility (confirming status and age). ID numbers are not used for any other purpose and are not shared with third parties except where required by law. We do not collect biometric data, health information, racial or ethnic origin, or any other special personal information as defined in section 26 of POPIA, beyond what is strictly necessary for eligibility verification.

4. How We Use Your Personal Information

We process your personal information only for lawful purposes that are directly related to the administration and operation of the Alumni Schools Golf Challenge. Specifically, we use your information to:

- Verify your eligibility to participate in the tournament.
- Register and manage your player or supporter account.
- Assign you to a team, division, and bracket within the tournament.
- Geo-plot your location by postal code to allocate you to the most geographically convenient division.
- Generate and manage your match schedule and results.
- Process and verify entry fee payments.
- Send you tournament-related communications, including match reminders, round updates, and broadcast notifications via the app.
- Administer the community board and moderate user-generated content.
- Resolve disputes relating to match results.
- Compile tournament statistics and standings.
- Comply with applicable legal obligations.

We will not process your personal information for any purpose that is incompatible with the purposes listed above without first obtaining your separate consent.

5. Legal Basis for Processing

Under POPIA, we are required to have a lawful basis for processing your personal information. We rely on the following grounds:

- Consent: Where you have provided explicit consent to the processing of your personal information, for example by completing registration on our platform.
- Contractual necessity: Where processing is necessary to fulfil our obligations to you as a tournament participant, including administering your registration, managing your matches, and processing your payment.
- Legitimate interests: Where processing is necessary for our legitimate interests in operating a fair and well-administered tournament, provided those interests are not overridden by your rights and interests.
- Legal obligation: Where we are required by law to process your personal information, for example in response to a lawful request from a competent authority.

6. How We Share Your Personal Information

6.1 Tournament Administration

Your personal information is accessible to authorised tournament administrators through the web-based administration portal (alumnigolf-admin.vercel.app). Access is restricted to individuals who require it for the purposes of administering the tournament. Administrators are bound by confidentiality obligations.

6.2 Other Participants

Certain information is visible to other registered participants within the app as a necessary part of tournament participation. This includes:

- Your team name and school.
- Your match results and standings.
- Community posts you choose to submit (subject to admin approval).

Your email address, ID number, mobile number, and payment details are never visible to other participants.

6.3 Sponsors

Tournament sponsors may receive aggregated, non-personally identifiable statistical information about participation (such as total player numbers and school representation). We do not share individual personally identifiable information — including your name, email, ID number, or contact details — with sponsors without your explicit consent.

6.4 Service Providers (Operators)

We use the following third-party service providers to operate our platforms. These providers process personal information on our behalf as Operators under POPIA and are contractually required to process information only on our instructions and in accordance with applicable law:

- Supabase Inc. — Cloud database and authentication services. Data is hosted on Supabase infrastructure. Supabase complies with applicable data protection legislation including GDPR. For more information, see supabase.com/privacy.
- Vercel Inc. — Hosting of the web administration portal (alumnigolf-admin.vercel.app). For more information, see vercel.com/legal/privacy-policy.
- Payfast Payments — Secure online card payment processing. Payfast Payments is a licensed South African payment service provider. For more information, see peachpayments.com.
- Expo (by Expo) — Mobile application build and push notification infrastructure. For more information, see expo.dev/privacy.
- GolfRSA / Handicap Network Africa (HNA) — Handicap verification. When verifying a player's eligibility, we cross-reference the HNA registration number provided against the official HNA database. This involves a limited disclosure of the player's HNA number to confirm handicap activity and accuracy. No additional personal information is shared beyond what is necessary for this verification.

6.5 Legal Disclosure

We may disclose your personal information to law enforcement agencies, regulatory bodies, or other third parties where we are required to do so by law, court order, or other legal process, or where we believe in good faith that such disclosure is necessary to protect our rights, your safety, or the safety of others.

6.6 No Sale of Personal Information

We do not sell, rent, or trade your personal information to any third party for commercial or marketing purposes.

7. Cross-Border Transfer of Personal Information

Some of our service providers, including Supabase and Vercel, store and process data on servers located outside the Republic of South Africa. In terms of section 72 of POPIA, we may only transfer personal information to a foreign country if that country has adequate data protection laws in place, or if we have ensured that the recipient is subject to binding obligations that provide an adequate level of protection for your personal information.

Supabase stores data in data centres within the European Union, which is subject to the General Data Protection Regulation (GDPR) — a data protection framework recognised as providing adequate protection equivalent to POPIA.

By using our platforms and providing your personal information, you consent to the transfer of your personal information to these service providers as described in this policy.

8. How We Protect Your Personal Information

We take the security of your personal information seriously and have implemented reasonable technical and organisational measures to protect it against unauthorised access, disclosure, alteration, loss, or destruction. These measures include:

- Encrypted data transmission using HTTPS / TLS protocols for all communications between the app and our database.
- Supabase Row Level Security (RLS) policies to ensure that each user can only access their own data and authorised shared data.
- Password hashing — passwords are never stored in plain text.
- Access controls — administrative access to the web portal is restricted to authorised personnel only, protected by authenticated login.
- Push notification tokens are stored securely and used solely for sending tournament-related notifications.

While we take all reasonable steps to protect your personal information, no method of electronic transmission or storage is 100% secure. We cannot guarantee absolute security. In the event of a data breach that poses a risk to your rights and freedoms, we will notify you and the Information Regulator as required by POPIA.

8A. Data Breach Response Procedure

In the event that we become aware of a security breach involving your personal information, we will:

- Conduct an immediate internal assessment to determine the nature, scope, and likely impact of the breach.
- Take all reasonable steps to contain and mitigate the breach without delay.
- Notify the Information Regulator of South Africa as soon as reasonably possible after becoming aware of the breach, as required by section 22 of POPIA.
- Notify affected data subjects directly (via the email address on record) where the breach poses a risk to their rights and freedoms, unless the Information Regulator determines that notification is not required.
- Maintain a record of all security breaches, regardless of whether notification is required.

Notifications to affected data subjects will include, at minimum: a description of the nature of the breach, the categories and approximate number of records affected, the likely consequences of the breach, the measures taken or proposed to address the breach, and contact details of our Information Officer.

9. Retention of Personal Information

We retain your personal information only for as long as is necessary to fulfil the purposes for which it was collected, or as required by applicable law. Our retention guidelines are as follows:

- Player registration data (including name, email, school, eligibility records): retained for the duration of the tournament season and for a period of three (3) years thereafter for record-keeping and dispute resolution purposes.
- Supporter / follower registration data (name, email, mobile number): retained for the duration of the tournament season and for a period of one (1) year thereafter, unless the supporter actively re-engages with a subsequent season.
- ID numbers: retained only for the duration of the eligibility verification process. Once eligibility is confirmed or rejected, ID numbers are not actively used and are subject to deletion on request.
- Payment records: retained for a minimum of five (5) years in accordance with South African financial record-keeping requirements.
- Match scores and results: retained indefinitely as part of the tournament's historical record.
- Community posts: retained for the duration of the tournament season and deleted thereafter, unless retained for legal or dispute purposes.
- Push notification tokens: retained for the duration of your active account. Tokens are refreshed automatically and old tokens are purged.

Once the retention period has expired, personal information is securely deleted or anonymised.

10. Your Rights Under POPIA

As a data subject under POPIA, you have the following rights in respect of your personal information:

10.1 Right to Access

You have the right to request confirmation of whether we hold personal information about you, and to request access to that information. Requests can be submitted to admin@alumnigolf.net. We will respond within a reasonable time and in accordance with POPIA.

10.2 Right to Correction

You have the right to request that we correct, update, or complete any inaccurate, incomplete, or outdated personal information we hold about you.

10.3 Right to Deletion

You have the right to request the deletion or destruction of your personal information where it is no longer necessary for the purpose for which it was collected, where you have withdrawn consent, or where processing is unlawful. Note that certain information may be retained where required by law or for legitimate business purposes (such as payment records).

10.4 Right to Object

You have the right to object to the processing of your personal information on grounds relating to your particular situation, where processing is based on our legitimate interests. You also have the right to object to the use of your personal information for direct marketing purposes at any time.

10.5 Right to Withdraw Consent

Where processing is based on your consent, you have the right to withdraw that consent at any time. Withdrawal of consent does not affect the lawfulness of processing carried out before the withdrawal.

10.6 Right to Lodge a Complaint

If you believe that we have infringed your rights under POPIA, you have the right to lodge a complaint with the Information Regulator of South Africa:

The Information Regulator (South Africa)

Website: www.inforegulator.org.za

Email: infoereg@justice.gov.za

Telephone: 010 023 5207

To exercise any of your rights listed above, please contact our Information Officer at admin@alumnigolf.net. We will acknowledge your request within 5 business days and respond fully within 30 days, or such longer period as permitted by POPIA.

10.7 PAIA Manual

In accordance with the Promotion of Access to Information Act 2 of 2000 (PAIA), Legacy Events Ventures (Pty) Ltd maintains a PAIA Information Manual. The manual describes how to request access to records held by us in terms of PAIA and POPIA. The manual is available on request by contacting our Information Officer at admin@alumnigolf.net.

11. Cookies & Tracking Technologies

11.1 Mobile Application

The Alumni Schools Golf Challenge mobile application uses secure local storage (AsyncStorage) to retain your login session between uses of the app. This is necessary to keep you signed in and is not used for advertising or tracking purposes.

Push notification tokens are generated by your device and stored securely in our database for the purpose of sending you tournament notifications. You may disable push notifications at any time through your device settings.

11.2 Web Administration Portal

The web administration portal (alumnigolf-admin.vercel.app) is a restricted-access tool used exclusively by authorised tournament administrators. It is not a public-facing website and does not use advertising cookies or third-party tracking technologies.

Please note that Vercel, as the hosting provider for the administration portal, may collect anonymised performance and diagnostic data (such as request logs and response times) as part of its standard infrastructure services. This data is used solely for platform reliability purposes and does not identify individual end-users. For more information, refer to Vercel's Privacy Policy at vercel.com/legal/privacy-policy.

12. Minors

The Alumni Schools Golf Challenge is open exclusively to individuals who have completed their matriculation year and therefore holds no expectation of registering persons under the age of 18. We do not knowingly collect personal information from minors.

If you believe that a minor has provided personal information to us without appropriate parental or guardian consent, please contact us immediately at admin@alumnigolf.net and we will take appropriate steps to remove that information.

13. Updates to This Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in our practices, the platforms we use, or applicable legal requirements. When we make material changes, we will notify registered users via the in-app broadcast notification system and update the "Last updated" date at the top of this document.

Your continued use of the Alumni Schools Golf Challenge platforms following notification of an updated Privacy Policy constitutes your acceptance of the revised policy. We encourage you to review this policy periodically.

14. Contact Us

If you have any questions, concerns, or requests relating to this Privacy Policy or the processing of your personal information, please contact our Information Officer:
